

Beckton & Royal Docks Children's Centre Tip Sheet

Zipper Board

Purpose of the activity: Supports physical development and aids your baby to develop fine motor skills using their fingers and hand muscles to pull and push. Your baby can also feel and touch different textures and notice different colours.

What you need...

Zips

Recycle an old piece of cardboard from toy box etc.

Hot glue gun/strong glue

Instructions...

Simply glue the zips on to the cardboard and let it dry. This activity is easy to make and fun for your baby to explore with!

Don't forget to send us your pictures:
