

Beckton & Royal Docks Children's Centre Tip Sheet

Soft Coconut Play-Dough

You will need

- Cornflour
- Coconut hair conditioner
- Measuring spoons & cups
- Mixing bowl
- Desiccated coconut (optional)
- Coconut flakes (optional)

Method

- Put 1 cup of cornflour into a bowl then add 5 tablespoons of hair conditioner.
- Use your hands to mix and then knead into a ball. It should not be sticky but if it is then take it out and continue to roll and knead it on a surface dusted with cornflour.
- If it is too dry, then dip your fingertips into some conditioner and knead again.
- When it is ready it will be smooth, soft, and squishy!
- For extra sensory fun that is scented and a different texture, add some desiccated coconut or coconut flakes.
- You can also try making the dough using a different scented hair conditioner, like apple or raspberry.
