

Beckton & Royal Docks Children's Centre Tip Sheet

Jungle Cornflour Slime

You will need

- Corn flour
- Water
- Green food colouring
- Toy animals/dinosaurs
- Tray or large bowl
- Glitter (optional)

1. Scoop a few big spoonful of corn flour into a tray or bowl.
2. Add a few drops of food colouring to the water.
3. Slowly add the coloured water to the corn flour, mixing until you have a thick slime.
3. Grab a handful of slime and squeeze. The mixture will become solid, when you stop squeezing the slime will change back into a liquid.
4. Add your animals or dinosaurs for more sensory fun.
